## Power Coach Training 2-Day Intensive

**Dr. Brenda**  
Author, Holistic Psychologist and  
personal growth expert

**Barbara Russo**  
Executive Director of Dr. Brenda Power  
Coach Program

## Become a Certified Power Coach

In this economic climate so many of us are being challenged with job loss or keeping the jobs we have, home makers are going into the workforce for the first time, entrepreneurs and network marketing professionals are looking for ways to take their business forward in spite of the challenges.

It's time to reinvent yourself or to take your professional skills to a quantum level – think warp speed.

Whether you are an HR Specialist, a health or therapeutic provider, a business consultant, or a transitioning professional, Dr. Brenda Power Coach Training will accelerate client momentum and drive your business to the next level.

Prepare yourself to offer clients cutting-edge tools for success in this new economic paradigm.

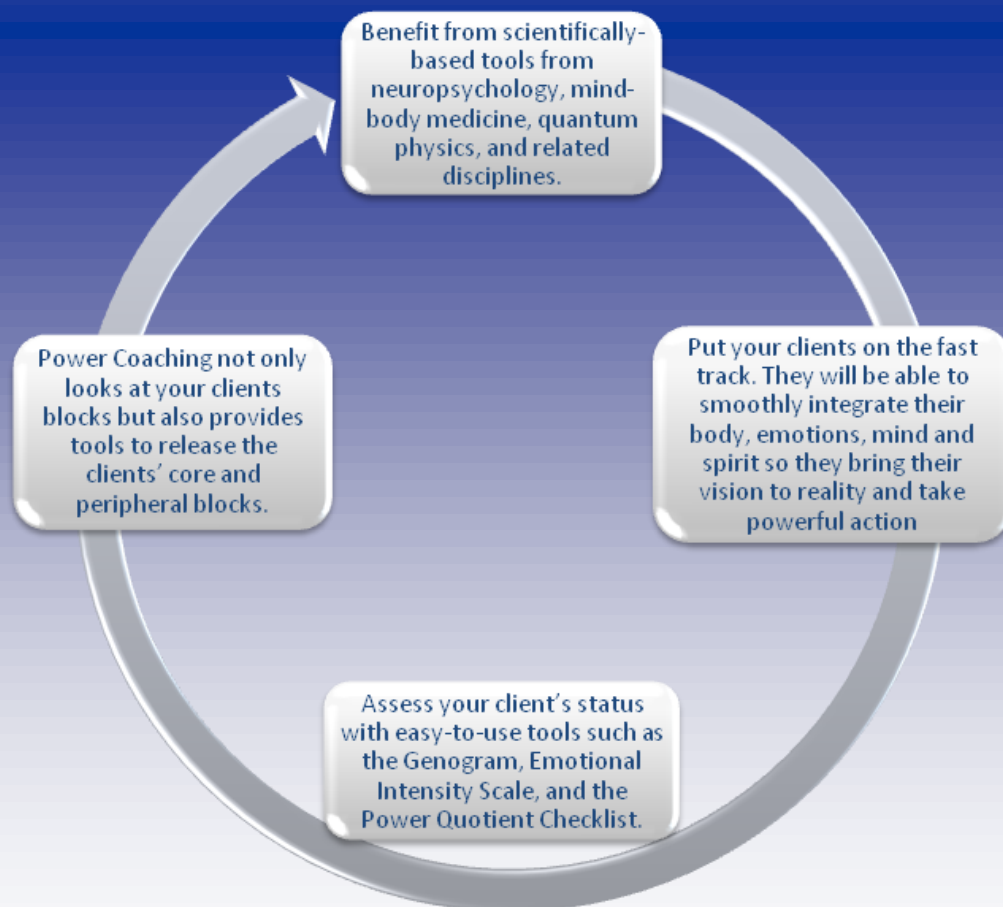

Dr. Brenda Power Coach Training incorporates her unique holistic approach with fundamental coaching skills. The proprietary Power Coach Model, together with core coaching competencies will enhance your coaching expertise and position you to deliver a powerful, effective experience for your clients and expand your professional offerings.

This training will:

- Stretch, challenge and celebrate your individual strengths and uniqueness
- Define and hone coaching skills
- Build and expand an inventory of best practices
- Expand your reach and value
- Provide a step by step holistic coaching approach
- Demonstrate hands-on coaching practice in a supportive environment
- Master communication and leadership skills to facilitate effective coaching

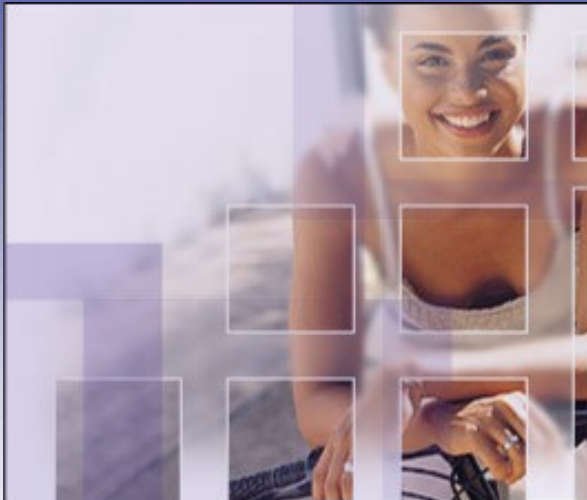

## The Power Coaching Model Difference

## What will you learn ?

## Who will benefit ?

- Therapeutic providers, HR specialists, business consultants, and other professionals who want to bring a coaching component to their business model
- Coaches, experienced and new, who want to enhance their coaching skills, create a greater impact, add long-term value to the client experience, and assist their clients in making significant breakthroughs.
- Entrepreneurs who desire to adopt best business practices and truly connect with and assist their customers, clients, and colleagues thereby improving relations and ultimately increasing revenues.
- Individuals who need a career shift whether feeling currently stuck in your job, between jobs, or wanting to venture into a new career field where you can make a huge impact.

## Training Includes

- 2-day intensive and Two 90-minute Teleclasses
- Training Workbook and complimentary copy of Dr. Brenda's book, Power Choices
- Power Coach 12-session Facilitation Manual
- Personal instruction by Dr. Brenda and Barbara Russo, Executive Director of Dr. Brenda Power Coach Program
- Dr. Brenda will lead the training , present and demonstrate the Power Model.
- Barbara Russo will instruct participants in fun fundamental coaching skills and link the Power Model to specific coaching competencies.
- Lively instruction style together with demonstrations, discussions, role -plays, and much more will lock in the learning and keep each day's sessions dynamic and fast-paced.

**At the conclusion of this training and upon completion of an additional 6-hours of required individual. Coaching, each participant will have completed the Level I program and be eligible to be certified as a Dr. Brenda "Power Coach."**

## What people say...

### ... about Dr. Brenda

"Dr. Brenda's energy is great! There was never a lull during the session. I came away knowing that I can achieve my goals I gain tools to eliminate my blocks. I feel very empowered & confident to realize my dreams

I have been devouring Dr. Brenda's books and find that her writing style is as relatable as her presentation style. She is one of the most elegant communicators I have ever enjoyed learning from.

She is really making a positive, profound difference in the world."

Kelly, Entrepreneur

"Dr. Brenda Wade has a rare and powerful gift when it comes to personal transformation. Well grounded and educated in science and spirituality, she uses a plethora of tools and techniques designed to move through inner blocks. Everything and anything that blocks the heart's desire and the human spirit's rights are moved in order to embrace personal power in an ever-deepening way. I feel blessed, grateful and honored to be working with her and can honestly say that I have experienced (and am experiencing) significant, lasting and profound changes in my inner and outer worlds."

Clara Chorley,  
Founder and lead facilitator of Living with Purpose

## ... about Barbara Russo

“Barbara Russo has been my ‘professional/life coach’ for most of 2005. She has been a very strong influence in my life and success on many levels. Barbara has helped me focus my energies and thoughts to maximize my potential and my skill set. Through our weekly meetings and phone calls...” [Continue](#)

David  
Senior VP, Publisher SPORTSNET

“In the summer of 2005, a long-time friend approached me with an opportunity to merge our businesses. My challenge in moving forward was how do I take my 30-year business through such a transition seamlessly and move to the next plateau with ease and confidence. I sought the assistance of Barbara Russo. Her knowledge, expertise and skills as a business professional and coach proved to be invaluable...”
